International Transfers

As established by the Italian Agency, we advise you to inform your National Agency about your Departure Date and Place in order to be sure of the eligibility of such expense. Partners are supposed to flight from their headquarters with the time due to arrive to the meeting and without unnecessary stops.

In the past, flights arriving too early (i.e. 2 days before) to the host country or departing/stopping on "suspicious" places have not been considered eligible since there were not announced nor explained to the Agency.

(i.e. if your headquarters are in Paris and the meeting is in Amsterdam, why did you leave from Lisbon? or why did you stop in Vienna?).

Transfers

Our meeting will be held in Turnhout, the biggest city of the Kempen, where one of Asturia's offices are also located.

Turnhout, by car, is about 35 minutes from Eindhoven (NL) Airport and 1 hour from Brussels (B) Airport.
