MULTIPLIER EVENT REPORT

ORGANISATION: EUROSUCCESS CONSULTING
COUNTRY: CYPRUS

Overview of the event

On Thursday, June 28th, 2018 Eurosuccess Consulting organized a multiplier event to present the project **Skills for Freedom**, its outputs and outcomes to interested stakeholders. The event took place in the Cyprus Prison Department. In the event, there were sixty-seven (67) participants, among which employees from the Cyprus prison department, various organizations and companies and other interested individuals. Eurosuccess utilized their existing network and social media resources to promote the event. All Cypriot participants who took part in the project activities were invited and informed about the event.

The main aims and objectives of the event was to promote the projects' outputs and activities as well as to emphasize the significance of artistic (and more specifically theatrical) activities in penitentiary institutions to help inmates along their rehabilitation process, as well as, the EU contribution towards the implementation of the Skills for Freedom project.

The Managing Director of Eurosuccess, Mr Giorgos Giorgakis, presented the project Skills for Freedom.

Intellectual outputs presented during the event:

- 1) O1- Common European framework of the skills developed through arts and theater, for prisoners
- 2) O2- Operative Guidelines to develop the skills of prisoners with artistic activities
- 3) O3-Online Database
